Corrigendum

***Genome Research* 27:** 393–406 (2017)

Corrigendum: TRUB1 is the predominant pseudouridine synthase acting on mammalian mRNA via a predictable and conserved code

Modi Safra, Ronit Nir, Daneyal Farouq, Ilya Vainberg Slutskin, and Schraga Schwartz

The name of the fourth author was originally misspelled in the author line of this article. Please note the correct spelling as Ilya Vainberg Slutskin. The file has already been corrected online.
