Corrigendum: Tempo and mode of regulatory evolution in *Drosophila*

Joseph D. Coolon, C. Joel McManus, Kraig R. Stevenson, Brenton R. Graveley, and Patricia J. Wittkopp

The authors would like to correct an error in [Supplemental Data Set 2](#), which inadvertently included 40 genes that were excluded prior to the allele-specific expression analyses presented in the publication. The error does not affect the conclusions of the paper. The revised supplemental file, containing 4851 genes, is now available online.
