Information for Contributors: Author instructions are available at our website, <https://www.genome.org>.

Online Manuscript Submission: <https://submit.genome.org>.

Copyright Information: Authors of articles published in *Genome Research* retain copyright of the articles (except US Government employees) but grant Cold Spring Harbor Laboratory Press exclusive right to publish the articles for a period of six months following full-issue publication. This includes the rights to publish, reproduce, distribute, display, and store the article in all formats; to translate the article into other languages; to create adaptations, summaries, extracts, or derivations of the article; and to license others to do any or all of the above. Authors can reuse their articles in their work as long as *Genome Research* is credited as the place of original publication. Six months following publication, these articles are made available under a CC-BY-NC 4.0 Creative Commons license. Articles that carry the Open Access designation are available immediately under a CC-BY 4.0 or CC-BY-NC 4.0 Creative Commons license. Detailed copyright terms are online at <https://genome.cshlp.org/site/misc/terms.xhtml>. Permission information is online at https://genome.cshlp.org/site/misc/permissions_landing.xhtml.
