A horizontal banner advertisement with a teal background. On the left, the text reads "CRISPR and RNAi Genetic Screening. Your new superpower." in white. In the center, there is a white rectangular button with the text "LEARN MORE". On the right, there is a photograph of a woman wearing a red superhero mask and a red cape over a white top. To the right of the photo is the Cellecta logo, which consists of a green molecular structure and the word "CELLECTA" in white capital letters.

## Erratum

---

**Genome Research 16:** 723–729 (2006)

**An epigenetic state associated with areas of gene duplication**

Alexander A. Gimelbrant and Andrew Chess

The current and approved gene symbols for *Ly49A* and *Ly49C* were incorrectly printed. *Kira1* and *Kira3* should have read *Klra1* and *Klra3*, respectively. The editors apologize for any confusion this may have caused.
