Corrigendum: Large-scale mapping of gene regulatory logic reveals context-dependent repression by transcriptional activators

David van Dijk, Eilon Sharon, Maya Lotan-Pompan, Adina Weinberger, Eran Segal, and Lucas B. Carey

The authors would like to correct the omission of [Supplemental Figure S4](#), which was inadvertently represented by a duplication of [Supplemental Figure S3](#) in the initial publication of this article. Please note that the correct [Supplemental Figure S4](#) has now been published online in the revised [Supplemental Material](#). The authors apologize for any confusion this may have caused.
