A horizontal banner advertisement with a teal background. On the left, the text "CRISPR and RNAi Genetic Screening. Your new superpower." is written in white. In the center, there is a white-bordered box containing the words "LEARN MORE" in black. On the right, there is a photograph of a woman wearing a red and white superhero costume with a red mask. To her right is a green logo consisting of several small circles connected by lines, resembling a molecular structure, with the word "CELLECTA" written below it in white.
