A horizontal banner advertisement with a teal background. On the left, the text reads "CRISPR and RNAi Genetic Screening. Your new superpower." in white. In the center, there is a white rectangular button with the text "LEARN MORE". On the right, there is a photograph of a woman wearing a red superhero mask and a red cape over a white top. To the right of the photo is the Cellecta logo, which consists of a green, multi-lobed molecular structure, and the word "CELLECTA" in white capital letters below it.

Erratum

Genome Research 7: 434–440 (1997)

A linkage map of the rat genome derived from three F₂ crosses
Marie-Thérèse Bihoreau, Dominique Gauguier, Norihiro Kato, Gina Hyne, Klaus Lindpaintner,
John P. Rapp, Michael R. James, and G. Mark Lathrop

The footnote to Table 2 inadvertently contained the phrase “Data from Jacob et al. (1995).” The data here are novel and the correct footnote should read:

The comparison has been made by averaging the polymorphism rates from Table 1 split by the marker origin.
