

**Supplemental Table 3. List of Coriell DNA samples genotyped in study.**

| <b>Coriell ID</b> | <b>Sex</b> | <b>Population</b> |
|-------------------|------------|-------------------|
| NA14474           | X          | African American  |
| NA14476           | X          | African American  |
| NA17110           | X          | African American  |
| NA17112           | X          | African American  |
| NA17113           | X          | African American  |
| NA17116           | X          | African American  |
| NA17118           | X          | African American  |
| NA17119           | X          | African American  |
| NA17120           | X          | African American  |
| NA17121           | X          | African American  |
| NA17122           | X          | African American  |
| NA17123           | X          | African American  |
| NA17124           | X          | African American  |
| NA17126           | X          | African American  |
| NA17127           | X          | African American  |
| NA17128           | X          | African American  |
| NA17129           | X          | African American  |
| NA17130           | X          | African American  |
| NA17131           | X          | African American  |
| NA17132           | X          | African American  |
| NA17134           | X          | African American  |
| NA17136           | X          | African American  |
| NA17137           | X          | African American  |
| NA17139           | X          | African American  |
| NA17140           | X          | African American  |
| NA17144           | X          | African American  |
| NA17147           | X          | African American  |
| NA17148           | X          | African American  |
| NA17149           | X          | African American  |
| NA17155           | X          | African American  |
| NA17101           | X/Y        | African American  |
| NA17102           | X/Y        | African American  |
| NA17103           | X/Y        | African American  |
| NA17104           | X/Y        | African American  |
| NA17105           | X/Y        | African American  |
| NA17106           | X/Y        | African American  |
| NA17107           | X/Y        | African American  |
| NA17108           | X/Y        | African American  |
| NA17109           | X/Y        | African American  |
| NA17111           | X/Y        | African American  |
| NA17114           | X/Y        | African American  |
| NA17115           | X/Y        | African American  |
| NA17117           | X/Y        | African American  |
| NA17125           | X/Y        | African American  |
| NA17152           | X/Y        | African American  |
| NA10859           | X          | Caucasian         |
| NA17202           | X          | Caucasian         |
| NA17204           | X          | Caucasian         |
| NA17206           | X          | Caucasian         |
| NA17208           | X          | Caucasian         |
| NA17209           | X          | Caucasian         |
| NA17210           | X          | Caucasian         |
| NA17213           | X          | Caucasian         |
| NA17215           | X          | Caucasian         |
