

# Chromosome 1

## Speciation Time

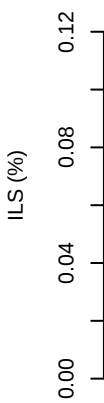

## Ancestral Effective Population Size

## Decode Recombination Rate

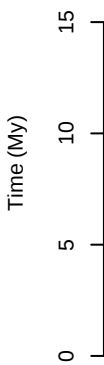

## Incomplete Lineage Sorting

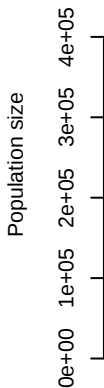

Position along chromosome

# Chromosome 2a

Speciation Time

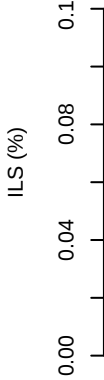

Ancestral Effective Population Size

Decode Recombination Rate

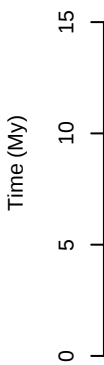

Incomplete Lineage Sorting

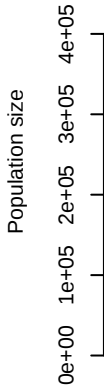

Position along chromosome

# Chromosome 2b

Speciation Time

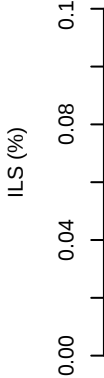

Ancestral Effective Population Size

Decode Recombination Rate

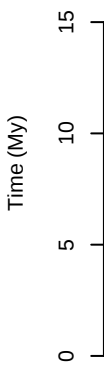

Incomplete Lineage Sorting

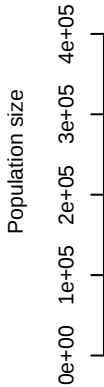

Position along chromosome

# Chromosome 3

Speciation Time

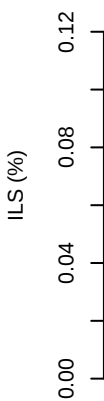

Ancestral Effective Population Size

Decode Recombination Rate

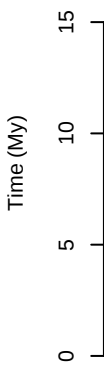

Incomplete Lineage Sorting

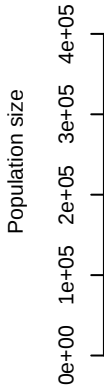

Position along chromosome

# Chromosome 4

Speciation Time

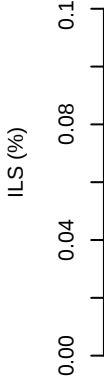

Ancestral Effective Population Size

Decode Recombination Rate

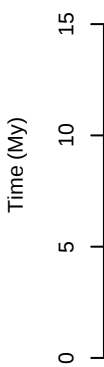

Incomplete Lineage Sorting

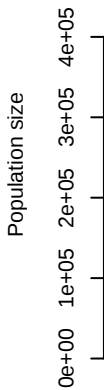

Position along chromosome

# Chromosome 5

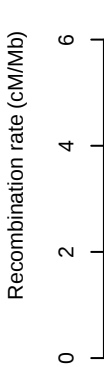

Speciation Time

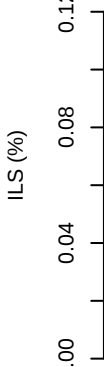

Ancestral Effective Population Size

Decode Recombination Rate

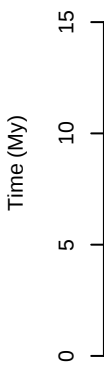

Incomplete Lineage Sorting

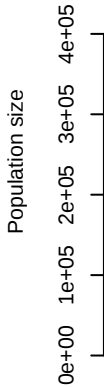

Position along chromosome

# Chromosome 6

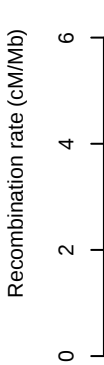

## Speciation Time

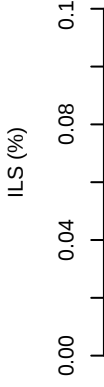

## Ancestral Effective Population Size

## Decode Recombination Rate

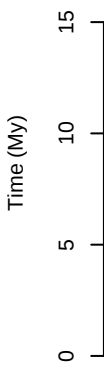

## Incomplete Lineage Sorting

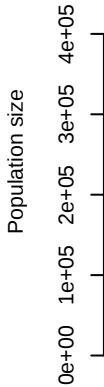

Position along chromosome

# Chromosome 7

Speciation Time

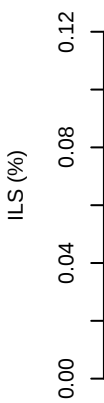

Ancestral Effective Population Size

Decode Recombination Rate

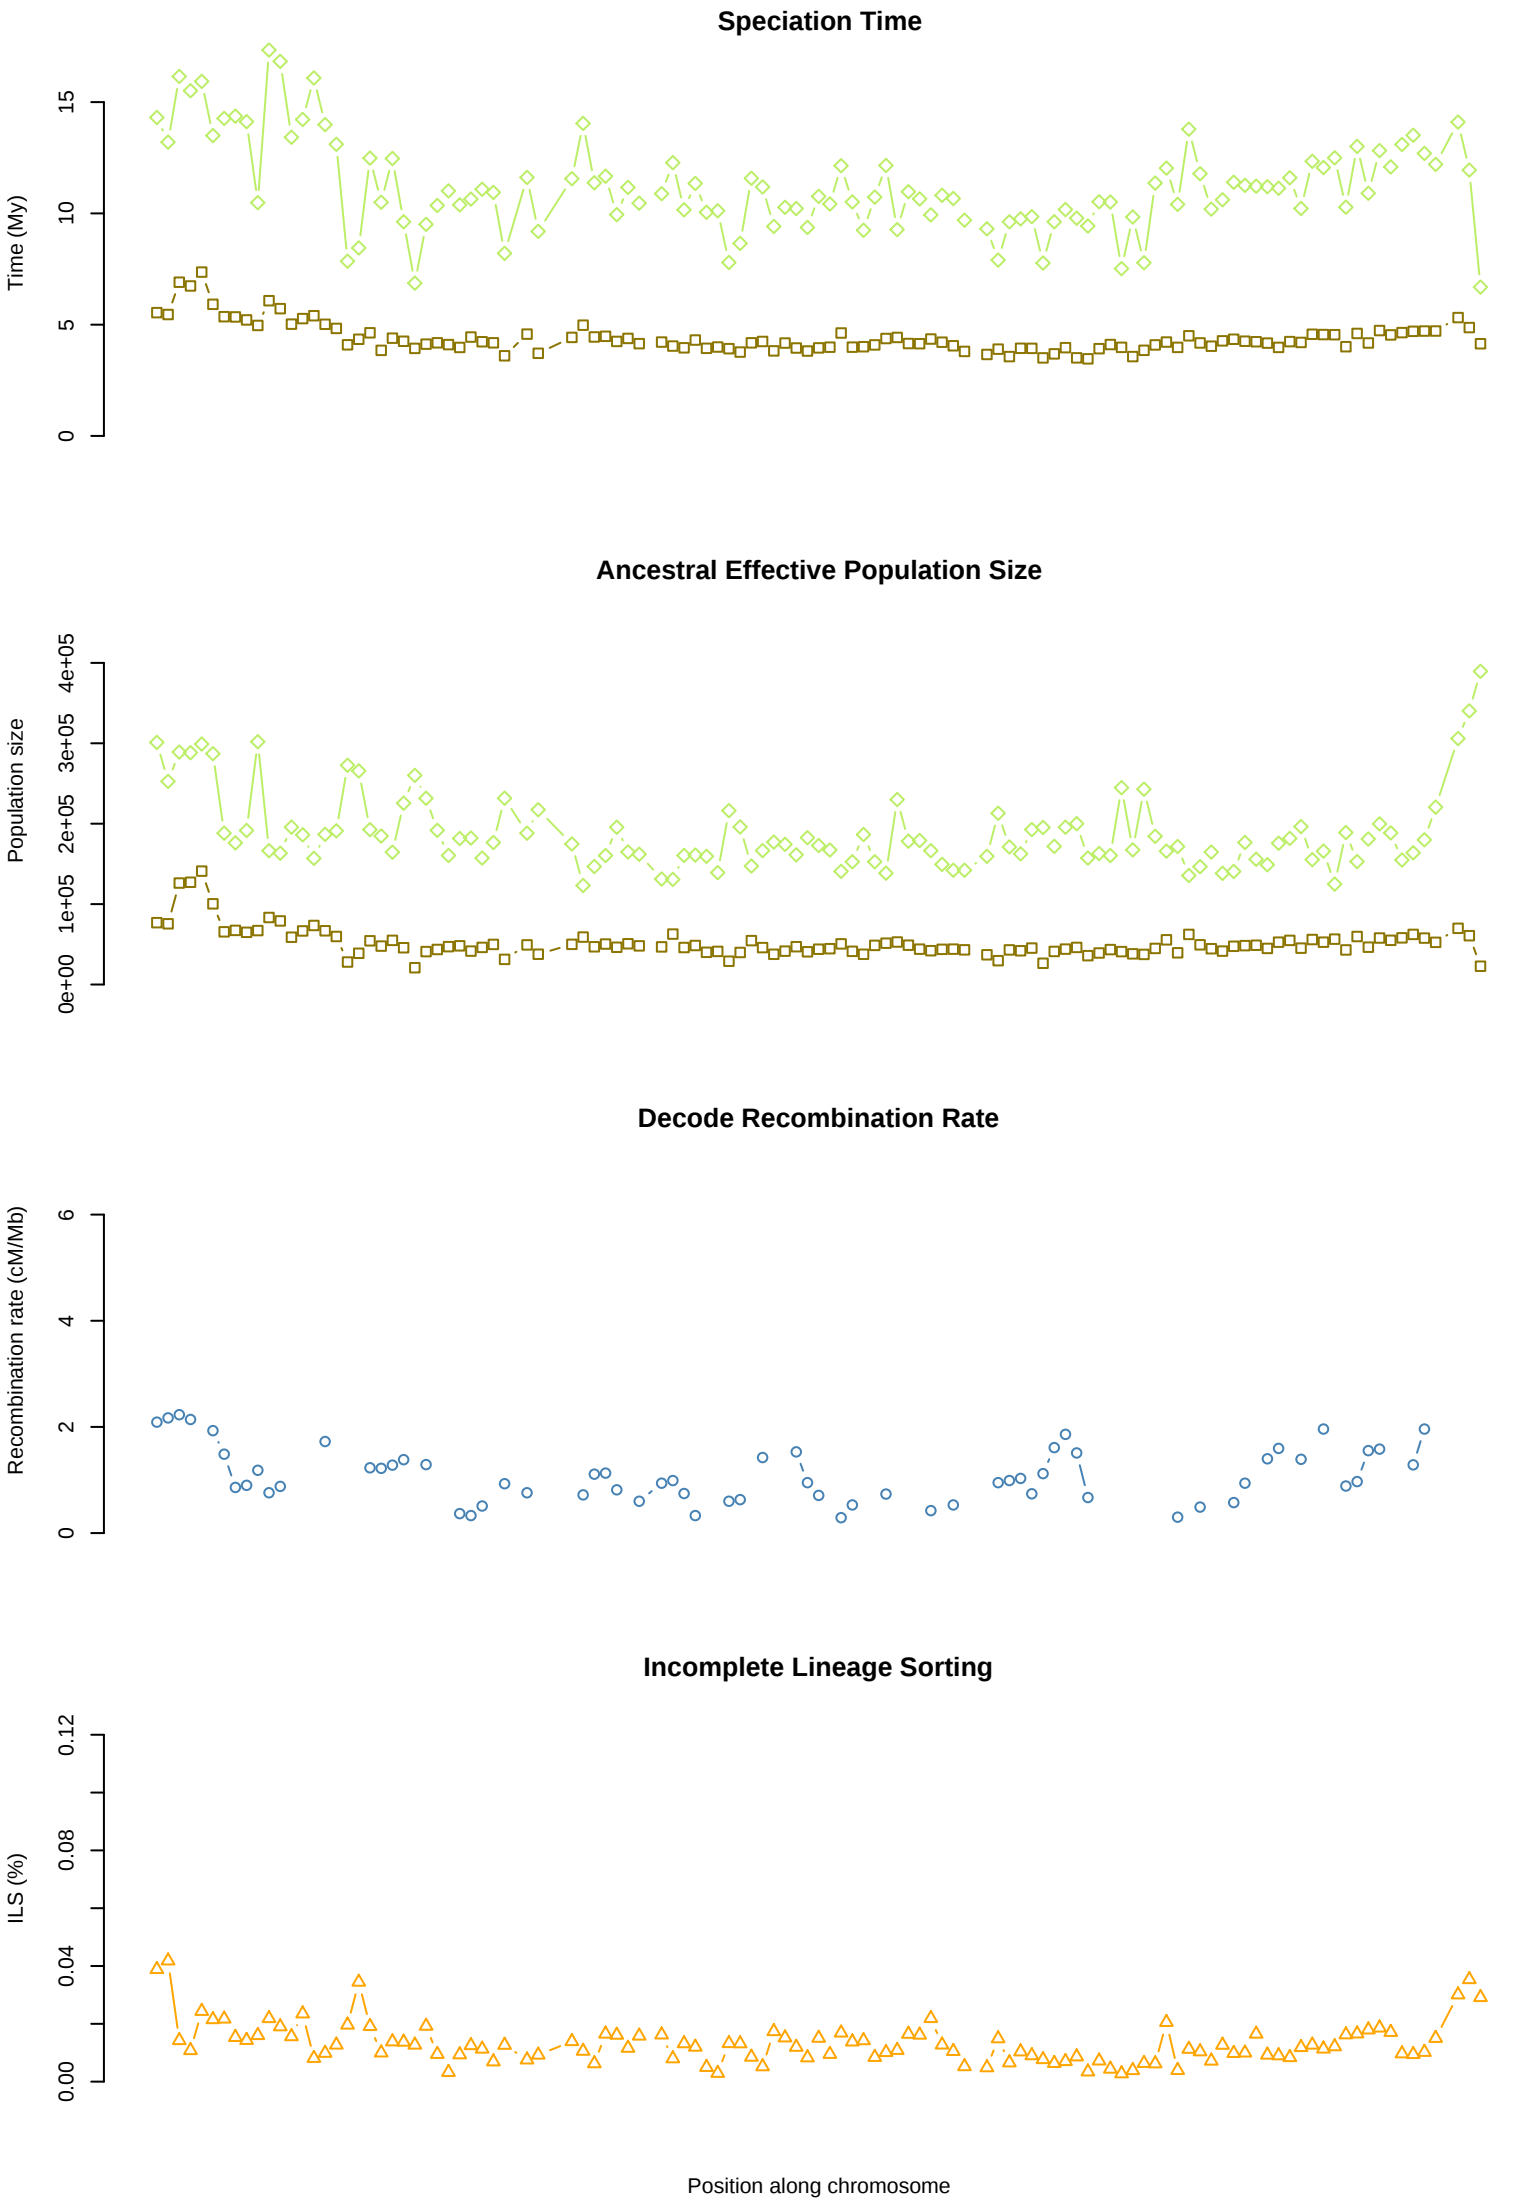

Incomplete Lineage Sorting

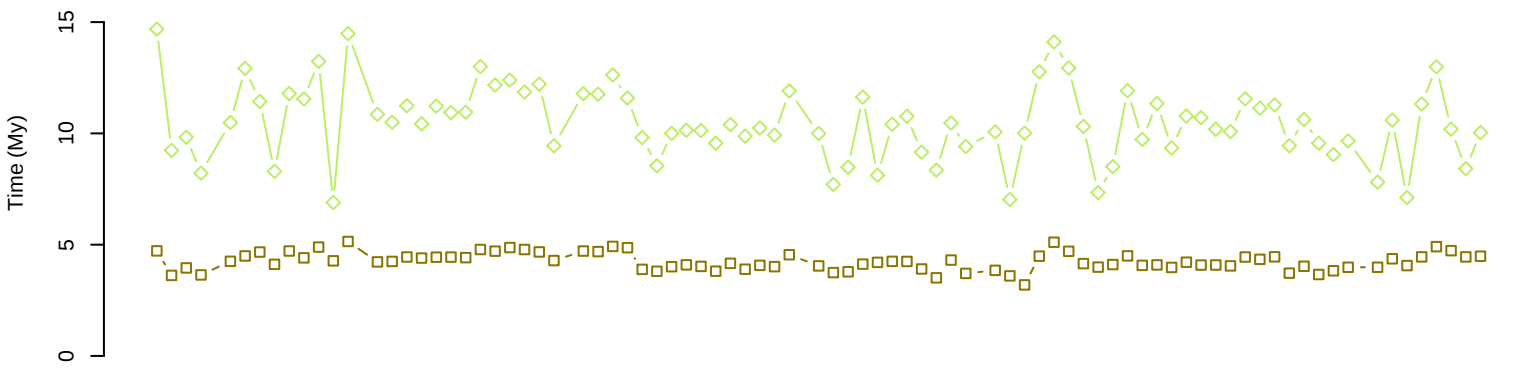

Position along chromosome

# Chromosome 8

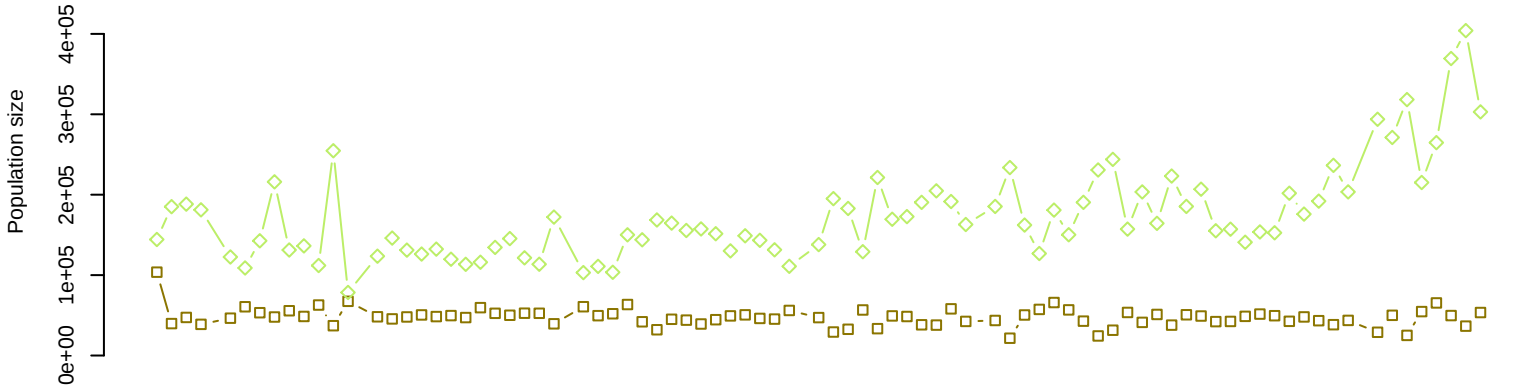

# Chromosome 9

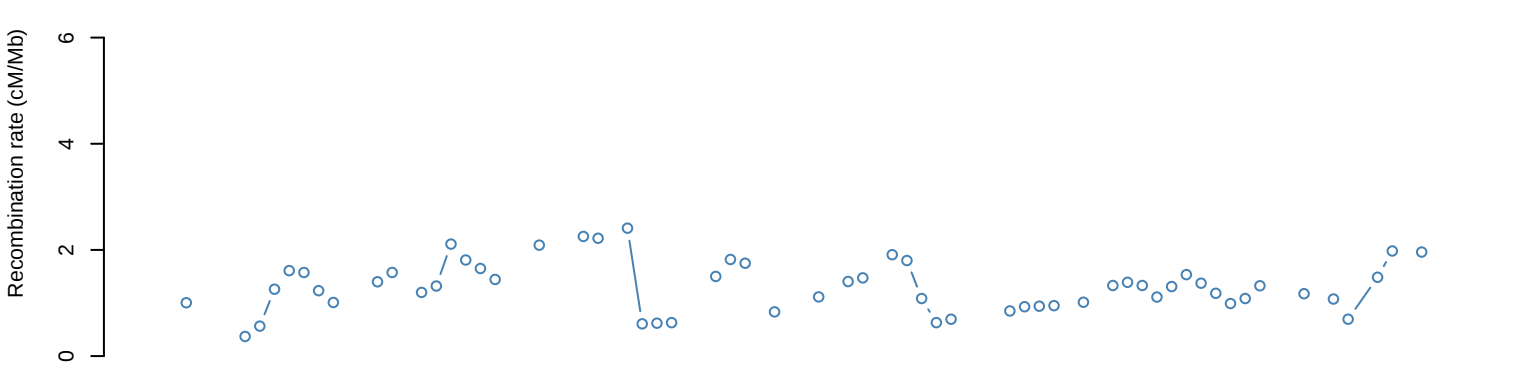

Speciation Time

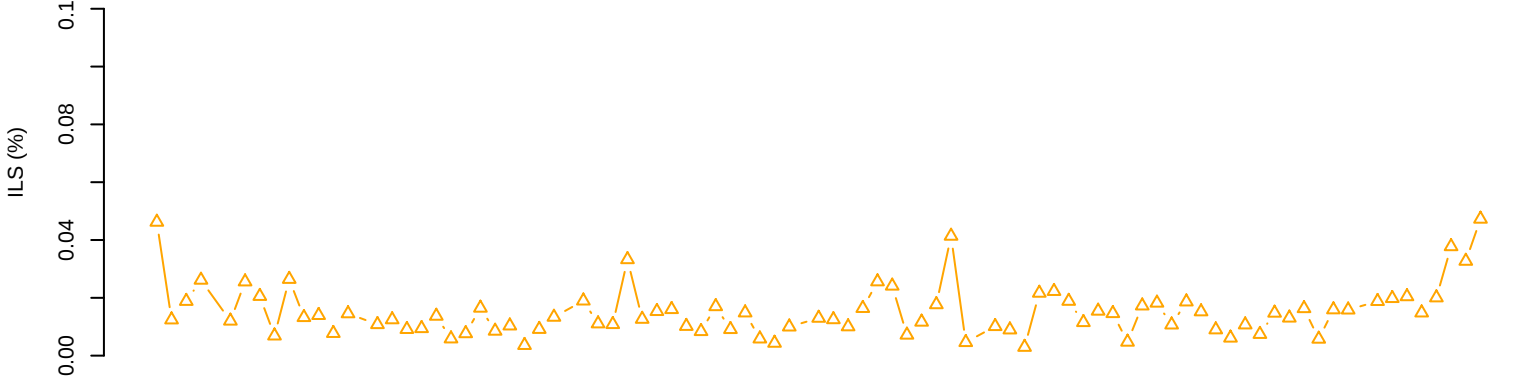

Ancestral Effective Population Size

Decode Recombination Rate

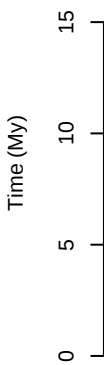

Incomplete Lineage Sorting

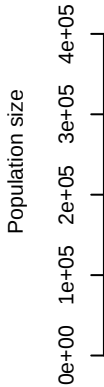

Position along chromosome

# Chromosome 10

Speciation Time

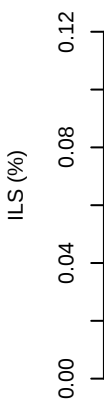

Ancestral Effective Population Size

Decode Recombination Rate

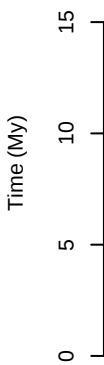

Incomplete Lineage Sorting

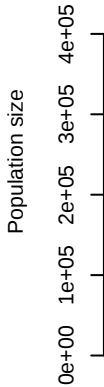

Position along chromosome

# Chromosome 11

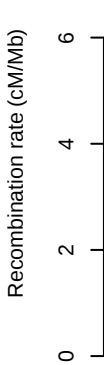

Speciation Time

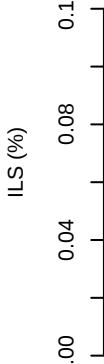

Ancestral Effective Population Size

Decode Recombination Rate

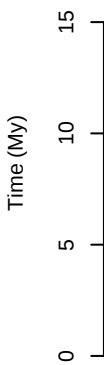

Incomplete Lineage Sorting

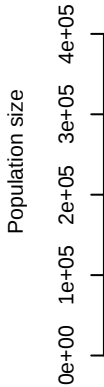

Position along chromosome

# Chromosome 12

Speciation Time

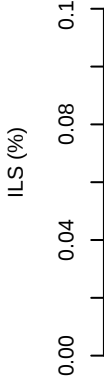

Ancestral Effective Population Size

Decode Recombination Rate

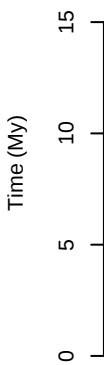

Incomplete Lineage Sorting

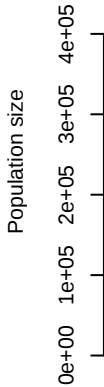

Position along chromosome

# Chromosome 13

Speciation Time

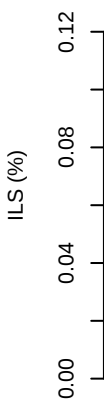

Ancestral Effective Population Size

Decode Recombination Rate

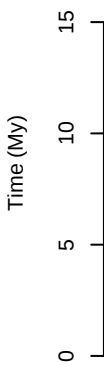

Incomplete Lineage Sorting

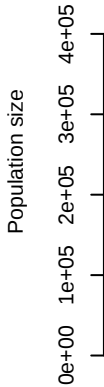

Position along chromosome

# Chromosome 14

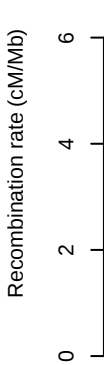

Speciation Time

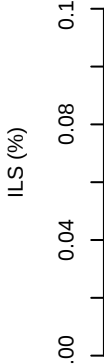

Ancestral Effective Population Size

Decode Recombination Rate

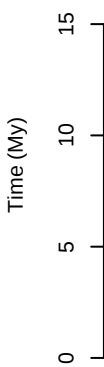

Incomplete Lineage Sorting

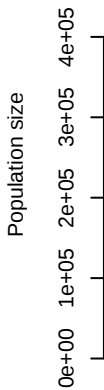

Position along chromosome

# Chromosome 15

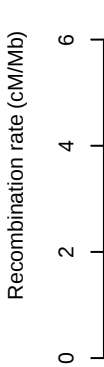

Speciation Time

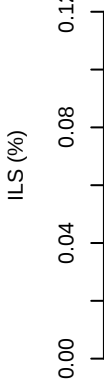

Ancestral Effective Population Size

Decode Recombination Rate

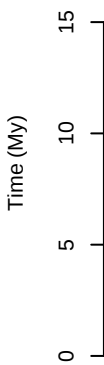

Incomplete Lineage Sorting

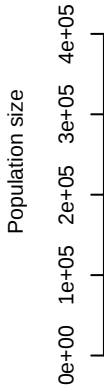

Position along chromosome

# Chromosome 16

Speciation Time

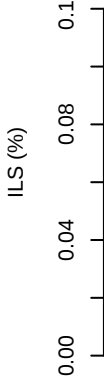

Ancestral Effective Population Size

Decode Recombination Rate

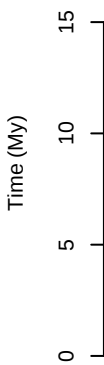

Incomplete Lineage Sorting

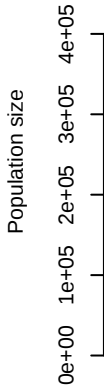

Position along chromosome

# Chromosome 17

Speciation Time

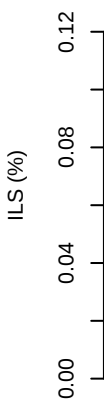

Ancestral Effective Population Size

Decode Recombination Rate

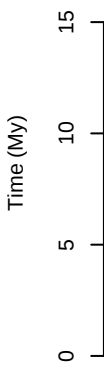

Incomplete Lineage Sorting

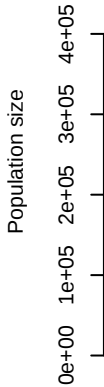

Position along chromosome

# Chromosome 18

Speciation Time

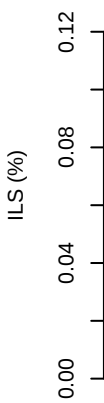

Ancestral Effective Population Size

Decode Recombination Rate

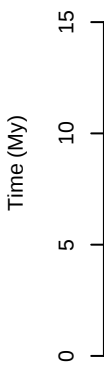

Incomplete Lineage Sorting

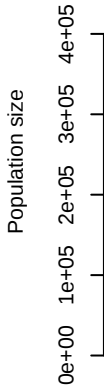

Position along chromosome

# Chromosome 20

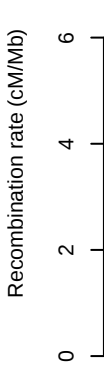

Speciation Time

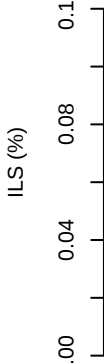

Ancestral Effective Population Size

Decode Recombination Rate

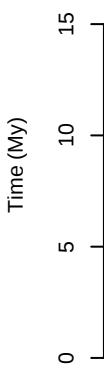

Incomplete Lineage Sorting

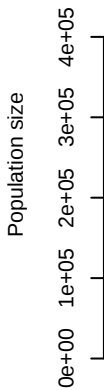

Position along chromosome

# Chromosome 21

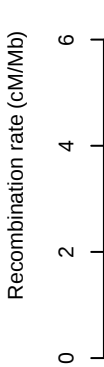

Speciation Time

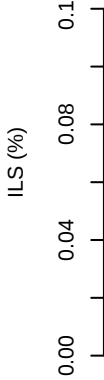

Ancestral Effective Population Size

Decode Recombination Rate

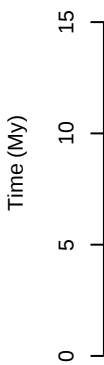

Incomplete Lineage Sorting

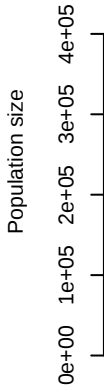

Position along chromosome

# Chromosome 22

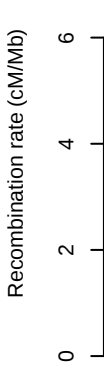

Speciation Time
